

# In the Beginning: the Light of Christ Illumines All

*What a wonderful opportunity we all have this year to come together again at the Teenage Conference in the Light of Christ our Savior and commemorate a program that began 50 years ago. The beginning of the Teen Age Conference was a dream to provide a youthful place for so many to gather together living their faith from across this country. Over the years hundreds now have fond memories of their time spent at camp. This year we have a great blessing of being the youngest members of our 50-year extended church family!*
